Assembly Instructions

Assembly is easiest with 2 people. Assemble one arch at a time.

1. Follow the diagram below to assemble each arch. Hand-tighten screws.
2. Once arches are assembled, ensure that installation area is free of rocks and obstructions, and anchor them into the ground. If you plan on using Gardener's Maxi Garden Fabric or Gardener's Maxi Shade Quilt with your hoops, install your hoops 9' end to end.
3. Once arches are installed, tighten screws fully.
4. Attach your garden fabric with the included stainless steel clips (36).
